- Power Cons. in Play / Std-By: *13.7/3.0*
- Equipment Supplied: *Remote Control, Batteries, Aerial Cable*
- Weight incl. / excl. package in kg: *4.6/3.6*
- Set Size - W x D x H (mm): *360x265x94*
- Packaging - W x D x H (mm): *458x357x163*

Color
- Front, side panels: *Silver*
- Cover: *Silver*

Product Highlights

- ***Turbo Timer***

Is Timer Programming complicated? No!
Is Timer Programming time consuming? No!
Just push the Turbo Timer button on the remote control and follow the Mini Guide on the rear side of your Remote Control. The display of your VCR asks you for the start and end time as well as the channel number. That's it. Just a number of seconds.

- ***Digital Studio Picture Control***

Digital Studio Picture Control keeps checking the quality of your videotapes and reproduces the best possible picture performance. Philips' Digital Studio Picture Control optimises the record and the playback quality. It measures the characteristics of the tape, adapts the record characteristics/ resolution and reduces the picture noise.

- ***SMART Picture***

With this unique feature, you can adapt the picture to your own preference: you can enhance the contours on a cartoon or suppress the noise from a rental tape. We offer you the possibility to play your tapes the way you like to see them.

- ***S-VHS Quality Playback***

S-VHS Quality Playback allows you to watch tapes which have been recorded on an S-VHS VCR.

- ***Turbo Drive***

Turbo Drive is not only a synonym for winding and rewinding at very high speed. It also stands for other high performance Deck features. The built-in Head Cleaner removes dirt from the video heads each time you put in a cassette. The new Dirty Head Warning feature will display a message on the TV screen whenever it is recommended to use a cleaning tape to overcome severe dirt coating. In addition there's a Tape Position Indicator, which shows on your TV screen the progress of winding and rewinding of the tape in real time.

- ***Multibrand Remote Control***

Your Remote Control can control not only your VCR but also your TV and your SAT/DBS box. You can select from a large variety of supported brands.

- ***Dual Language***

This feature - available for /77 and /78 - will offer you the choice of language in playback mode for all recorded programmes using Main + SAP audio channels.
